

Now, *that's* a
HOT
delivery!

Domino's Pizza and the
Oswego Fire
Department are joining forces to
promote FIRE PREVENTION!

Tuesday, March 30th, 2010

6 pm to 9 pm ONLY

Domino's Pizza and the Oswego Fire Department are rewarding customers who have properly functioning smoke detectors with FREE PIZZA! When you order a pizza on Tuesday, March 30th, between 6pm-9pm, you could be eligible to have your hot, fresh pizza delivered aboard a fire truck. If ALL smoke detectors are working, your pizza is FREE. If not, the fire department will replace your batteries and leave your home with working ones. Three customers will be chosen at random between 6pm-9pm ONLY!

Remember...When you change your clocks, change all smoke detector batteries. Together, we can make a difference and save lives.
